

CLARK COUNTY SCHOOL DISTRICT MASTER CALENDAR 2009-2010

The document known as the Master Calendar identifies calendared events that will have significance for district employees, students, and parents. It results from input and the initial dates provided by the departments listed below. Please contact the department or group corresponding to the source code if you have a question regarding an item. Program limitations may affect the sorting of events within certain time periods, so please note that these events may not appear in actual time sequence.

The official school calendar, which has been adopted by the Board of School Trustees, serves as the guide in preparation of this information. If any date conflict is observed, the calendar approved by the board will always take precedence.
